SPRING 2009

An Invitation to Slidell Residents

The Keep Slidell Beautiful mission is to focus on litter prevention, beautification, community improvement and waste reduction, and to develop partnerships through education, programs and activities that improve the physical environment and quality of life in Slidell.

KSB has successfully reduced litter on the city's main thoroughfares during its two Citywide cleanups a year, Adopt-A-Street program, and community service involvement.

We would like to expand our litter abatement efforts by reach-

ing out to homeowner associations, neighborhood groups, and residents. Cleaner neighborhoods lead to cleaner streets.

With a \$2,000 mini-grant from Keep Louisiana Beautiful KSB has started its Neighborhood Green Team Program.

We are inviting your subdivision to start a neighborhood Green Team. KSB will work with you to plan a cleanup day for your neighborhood. KSB will provide equipment for the cleanup, including gloves, trash bags, pick up poles, safety vests, and other equipment as needed.

A Green Team Captain and Co-Captain will be needed in each neighborhood. Captains will receive KSB t-shirts.

A \$100 matching grant is available to each participating subdivision to use in a beautification project to enhance the entrance into their subdivision.

Please provide a receipt showing the items purchased and KSB will reimburse 1/2 of the project cost up to \$100.

Please take before and after pictures to submit with your receipts.

Help Clean Your Subdivision/Neighborhood

Start a Neighborhood Green Team

- Register with KSB
- Apply for a matching grant up to \$100 to enhance your subdivision entrance
- Participate in KSB's two citywide cleanups a year with a neighborhood cleanup

For Your Information

- *Call Bill Mauser at 265-5029 for more information*
- *Become a Green Team Captain*
- *Join your neighbors and show your civic pride by cleaning and beautifying your neighborhood.*
